

RAPID RESPONSE™

Same-day shipping for the
products you order most

Building Technologies

SIEMENS

CODE RED. It's summertime in Mesa, Arizona. Outside, the temperature is climbing toward 100°F. Inside, two cooling valves suddenly go down. Who are you going to call?

Siemens Building Technologies has created Rapid Response: a free, expedited shipping program for our most critical, commonly ordered products. Just look for the new

Rapid Response logo. When you see it, that means the product is in stock and eligible for same-day shipping.

What products are included?
